WELCOME!

To our new addition of mining equipment, a 127 year old water monitor for hydraulic mining. It has a last patent date of July 19, 1870, and was donated by Loretta Griffin from California. Joyce Wayland and Eric Gomes, who donated 62 hours to pick it up and bring it to its new home, in the front yard of the museum. We may need some help reassembling some parts. Eckhardt's Ideals at Carter's Opera House

Miss Georgia A. Nichols, with Eckhardt's Ideals at Carter's Opera House, Feb. 23 - 24

The many friends and patrons of the above popular company will be gratified to learn that the :Ideals" will return to this city for two nights, Feb. 23rd and 24th, presenting two of the best plays in their entire repertoire. "A Ragged Hero", a comedy-drama in four acts, will be the opening attraction, Feb. 23rd, a play that is strong in heart's interest and dramatic situations and a play that has never before been seen in this city.

Sunday, Feb. 24, "Dora Thorne", a dramatization of Bertha M. Clay's famous novel, in four acts, is offered. Everybody is familiar with this popular novel and will undoubtedly take advantage of this opportunity of witnessing the beautiful drama.

Reserved seats are now sell. Prices 25, 50, and 75 cents.

A PAT ON THE BACK

Published in the Mail Tribune on 08/30/97

I wish to thank all Scouts, Scouters and the interested public who visited out Boy Scout memorabilia display at the Gold Hill Historical Society Museum. Many favorable comments and thanks were offered for our displays of, to name a few, a 1926 Scout uniform with the Eagle badge and patches, a merit badge sash with 67 merit badges from the 1920 era, a 1915 Scout Handbook, Jamboree displays from several years and many other scouting items too numerous to list here.

Our curator, Joyce Wayland, deserves a pat on the back for her work and supervision in setting up the displays. The displays will be taken down by Sept. 10. Museum hours are 10 a.m. to 4 p.m., Wednesday through Sunday. If you missed this event, you may still have time to browse around.

STAMP MILL RESTORATION

by Lyn Parker

Many thanks to Don and Hiway Lumber for their generous donation of the weathered 2 X 12s Rex needed to complete the beam for the stamp guides. New lumber would just not have looked right, and they had the exact amount he needed to finish off this essential part. They have been great supporters and we really do appreciate all of their help.

Also, many thanks to Sweed Mill for their generous gift of time and equipment to rethread the huge old bolts needed to reconstruct the stamp mill. It would have been an exhausting and time consuming job to do by hand, on site. We appreciate their help and interest.

OCTOBERFEST

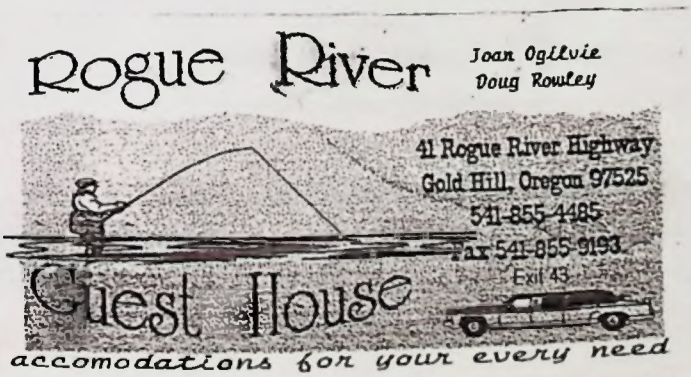
Our Octoberfest potluck/meeting was held on Sunday, October 26 and was thoroughly enjoyed by all. Even the weather cooperated, and though a little cool, the predicted rain did not appear. Ted Wharton did his usual great job of barbecuing the chicken and the assortment of dishes brought by all was plentiful and all were delicious.

Our doll raffle for the beautiful porcelain doll was won by Lyn Parker, and she now takes up residence in her home.

We played our traditional BINGO game and had our usual fun trying to strategize ways to keep the gifts we wanted most. Whether our strategies worked or not, it was great fun, with success gained more by luck than anything.

NEW MEMBERS

The winner of the doll for signing up new members is Joyce Wayland. The presentation took place at our Board of Directors meeting. Congratulations, Joyce, and many thanks for all your hard work.



CHAVNER-THOMPSON HOUSE

We are eagerly watching the restoration currently taking place on the Chavner-Thompson house on Blackwell Road. This old "catalog" house is being lovingly restored by its new owners, Jim and Becky Estremado, and all of us wish them well in this monumental endeavor. It is such a beautiful old house, and it is so satisfying to see it given the love and care it deserves.

FLEA MARKET

Patrick School 5th Grade will be holding a flea market at the school on Saturday, November 15th. The proceeds are to help maintain and defray some of the costs of programs which had to be cut because of budget cutbacks. Gold Hill Historical Society has rented a table there, and will offer some items donated for the sale, with proceeds to go to the school. Our volunteers who will man the table are Janet Sessions, Marge Martin and Clare Moore. Many thanks, ladies.

NEW DISPLAY

Our hunting and hunter safety displays have been a big success. Thanks Joyce for the big job of setting it up. Also, thanks to Ron and Diana Baumann of United Hunters and Sportsmen for the Hunter Safety material.

WISH LIST

MEETINGS

Regular monthly meetings of Gold Historical Society are held each third Wednesday, at 6:30 PM, in the Museum at 504 First Avenue. The exception to this is the month of August, when the annual picnic/potluck is held on the third Sunday, at noon, on the Museum grounds.

THE HUNTER

Across the rocky, burned-out ridge,
The mighty hunter staggered.
His face was worn; his clothing torn;
His weary features haggard.
The morning hunt was cruel and cold;
And though the sun shone bright,
His meager clothes would not withhold
The bitter freezing bite,
Of stinging wind and driving snow,
That cut him to the core.
And yet, as you and I both know,
He'll go back up for more.
Up on the ridge from which he came;
His weariness he'll stifle.
But still, he must return again,
For he forgot his rifle!
